FROM THE EXALTED RULER . . . NOVEMBER 2011 -----

October so far has been a shining success for our members to enjoy as our Lodge's volunteers come forward to help out in various activities. As Elks the true act of volunteerism is never expecting something in return, so...

WHY VOLUNTEER?

*It's not medals won with pride.
It's for that feeling deep inside.
It's that reward down in your heart.
It's feeling that you've been a part
Of helping others, far and near
That makes you be a volunteer!
It's not for money, it's not for fame.
It's not for any personal gain.
It's just for love of fellow man.
It's just to lend a helping hand.
It's just to give a part of self.
That's something you can't buy with wealth.*
~ Author Unknown ~

It is correct and a "good thing" to give recognition and appreciation for all of our volunteer's efforts; from those participating as Officers, Chairing a Committee, to simply bringing in coupons for our Veterans. All volunteers are so very appreciated (and you know who you are) and when you volunteer in any aspect you are making our Holiday Isles Lodge 1912 the success it is. With that being said, we had this month an exceptional volunteer come forward to make our Lodge shine, and this is Dominick Venenzia who headed up a group of volunteers to wash and paint the white walls in the Lounge area and Dining room. In two days the washing of the walls and painting was successfully accomplished. Bravo! The following participated in this task: Domenick Arico, Jeramy Colvin, Roger Duval, Barbara Fournier PER, Jeannie Hoffman, Joe Pusateri, Jesse Roberts, Joan Roberts, Betty Ryan, and Dominick's lovely wife Mary Venenzia. Again, thanks to all that participated in this task. Well done.

October 29th we will have our Halloween Party chaired by our very own Debbie Carlson and Julie Stroebel. Hope everyone enjoys the Monster Bash! Thanks to volunteers like Debbie and Julie

we can have these awesome events for our members to enjoy! Everyone is destined to have had an awesome haunting experience with costumes, good food, music, and friends.

On November 12th will be the Veteran's Boat Parade and the boat parade will be passing by our Lodge. Our very own member Barbara Stayer not only is she an outstanding volunteer at the ELKS but has taken on this event as Parade Chairperson. Bill Leary and Mack Sinden volunteered in getting City approval for an Open House the weekend of the Veteran's Parade so the community can come to this event. We are asking our members to bring in potential new members to experience our Lodge and see firsthand that being an ELK member is really something to aspire for. We are about supporting our community, special needs children, our veterans and acting service men and woman and their families. This year the Veteran's Boat parade honors the MARINES. November 13th will also be open to the public so bring or invite family members, neighbors, and friends to the Holiday Isles Lodge and help our Lodge in attaining more membership. We will have grilling available of Hot Dogs and Hamburgers as well as awesome Polish Sausage all served with chips and coleslaw.

We have something going on every day of the week for our ELK members to enjoy. Here is a recap:

Saturdays and Sundays are an enjoyable experience out on the deck with live music on Sunday (January we will have music on Saturdays too), active Tiki Bar, the inviting sparkling pool to swim in, AND grilling of the best Hamburgers and Hot Dogs on the Intracoastal water at affordable prices. We have to thank Don (PER) and June Boring for their exceptional volunteering in getting our new grill in place, you are truly appreciated and you both go above and beyond to make our Lodge "ROCK!" We also have open slips available for those that come by boat. We do rent out slips separate from our open docking areas and we currently have only one slip open for renting.

Monday Taco Night is still offering scrumptious Fish, Chicken, or Beef Tacos starting at approximately 4:30PM until we run out. Dart

COUPONS COUPONS COUPONS FOR ACTIVE DUTY SOLDIERS LIVING OVERSEAS

Holiday Isles Elks Lodge #1912 is joining with Largo Lodge # 2159 in collecting **MANUFACTURER COUPONS** for use by active duty military families stationed overseas. Did you know that more than 12,000 of our military families stationed overseas rely on food stamps and the help they get from home or, friends, churches or other organizations in order to meet their daily needs FYI, in April of this year, Largo Lodge# 2159 sent \$23,716 worth of coupons to the Ramstein, Germany military base for use at that local Commissary.

The coupons we collect will be sent to active duty overseas bases for the families to use at their local Commissary; currently, the Ramstein Military Base families are the recipients of this project. In the future and if feasible, this effort may be extended to include other military branches and bases. The coupons you donate will be valid up to 6 months after the initial expiration date.

INSTRUCTIONS FOR BUNDLING YOUR COUPONS:

1. Cut out your coupons and group them into food and non-food packets and place them in separate envelopes. Personally, I have added two additional categories for organizing my coupons; I have added: Babies and Pets.
2. Organize your coupons into the following groups: Food, Non-Food, Baby and Pets and place them in envelopes marked Food, Non-Food, Baby or Pets.
3. If possible, please count the total number of coupons you are donating on your envelope, and if you would, - please and thank you - total the value amount of each group and write those numbers on the front of your donation envelope.
4. There will be collection buckets in the Lobby of our Lounge/Bar and Dining Room area for you to drop off any manufacturer coupons that you wish to donate. Old envelopes from junk mail are a great way to use to save your coupons as they are free and will help to contribute to our new "green environment".

Our Lodge, Holiday Isles, will run the coupon collection effort from September through December of 2011. If you have questions or need any more information, or help in bundling your coupons, contact Linda Kufro, Chaplain of our Lodge, at 727-641-2726. The Largo Lodge project leaders are Ron and Pat Kellner. Thanks for your help.

Now, LET'S GET COUPONING for our military families!

FROM THE SOCIAL QUARTERS

FROM THE SOCIAL QUARTERS:

Here we are in the middle of Fall. Where did the Summer go? Guess we had so much fun it just flew by. October ended with the Great Halloween Party and November 5th starts with a really nice Fashion Show to include lunch and an auction. November 12th is the Veteran's Boat Parade. The boats will be here, so come on out and watch them. Each year they honor a different branch of the service. This year it is the Marines.

I see lots of our Northern Elks are back and we welcome them. It is great to see all of their familiar faces. We still have our Monday Taco's, Tuesday Casserole Day, Wednesday Steak Night, Thursday Pasta and Friday Dinner. Come in and eat and have a drink with our great bartenders. With all that food there has to be something for everyone. Don't forget Bingo on Thursday's. See calendar for dates and

times.

The Lodge will have a Thanksgiving Dinner. See ad for details. Also, Barbara Fournier has already started selling tickets for New Year's Eve. It's a great deal this year for only \$35.00 per person. Good tables are going fast. Don't be left behind. Keep an eye out for posters in the Lounge for other events.

We are starting to collect canned goods for Thanksgiving and Christmas baskets. Please donate what you can. It is one of our worthy causes and brings smiles to those who have fallen on hard times.

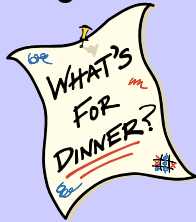

In closing the Staff thanks all of you for your continued support and help. It is greatly appreciated.

Also, on Saturday, October 22nd we have a Relay For Life American Cancer Spaghetti Dinner for approximately 200+ participants; Ann Balesterri and Cheryl Ross Chairing with many volunteers from our Gulf Beaches community. These are two perfect examples of the Elks working toward more community involvement by bringing in volunteers (potential members) enjoying our facilities, and being used for very

worthy causes to benefit OUR community and those in need.

Again, I have to thank all our volunteers that come forward to make our experience here at the Holiday Isles Elks fun and enjoyable. Here is a way you can volunteer today, we are looking for our members to bring in can goods, dry goods, even a frozen turkey (we will keep frozen until the day to deliver) or two to place in baskets and give to families in need during this Holiday Season for both Thanksgiving and Christmas. Your participation in is greatly appreciated. Please call the office or Cathylee 727.215.1226 for additional information and find out what items are needed for the baskets.

Volunteers are the only human beings on the face of the earth who reflect this nation’s compassion, unselfish caring, patience, and just plain love for one another. - Erma Brombeck

A Brief History . . . Harry-Anna Children's Hospital Florida Elks Children's Therapy Services, Inc.

Way back in the olden days, we're talking the 30s, Past GER and former Governor of Florida, Dave Sholtz, who worked closely with the Florida Crippled Children's Commission, met with a gentleman by the name of Harry Miller. They envisioned and were determined to "care for the . . . unfortunate children unable to help themselves, handicapped by the perversity of nature to face the strenuous battle of life." So began the Harry-Anna Home for Crippled Children. With sympathy and cooperation of various race tracks in Florida, the opening of the home was made possible.

By 1944 the home met with difficult times causing the President of the FSEA to appoint a committee tasking them to determine if Lodges would be willing to provide the support necessary to maintain continued operations.

During 1949, the laundry drying room was converted to a school. By 1951, 65-70 youngsters were being cared for per year with over 17,000 having passed through the doors since they opened. In 1955 the Elks Hospital Foundation Fund, now known as the Harry-Anna Trust Fund, was at \$1,000,000. Seven mobile units started in 1963 serving 88 children in their homes weekly. The hospital was moved for a third time in 1977, and by 1989 there were 92 professionals, 47 inpatients, and more than 3,000 outpatients.

February 26, 1999 saw the official closing of

the last Florida Elks Children's Hospital facility. Florida Elks Children's Therapy Services, Inc. was born on March 1, 1999.

Services provided now include Evaluation, Occupational Therapy, Physical Therapy, Neuro-Development Treatment, Sensory Training, and Therapeutic Listening. All of these services are absolutely free for up to six months (26 treatments) or until therapy goals have been met or need to be met in another way. Florida Elks Children's Therapy Services currently provides services to an average of 330 children a month.

Do you know a child between birth and 18 years of age who could benefit from this type of service, but just can't afford it? It is so easy to make a referral. Simply call the FECTS office at 800-523-1673 Ext. 241 and advise them you have a child in need of these services.

When you make a \$50 donation to the Harry-Anna Trust Fund, you receive a certificate as well as the State President's Pin. In addition to Therapy Services, funds from the Harry-Anna Trust Fund support the Florida Elks Youth Camp. That is another, completely awesome story! To be continued.... So now you know where your donations for Harry-Anna go and why they are so vitally important. The Harry-Anna certificate below is your way to support both Children's Therapy Services and the Florida Elks Youth Camp.
